It was announced at last Monday night's Village Board meeting, that Mayor Raymond Toft and Village Engineer, Frank Angelotti, will meet with the United States Environmental Protection Agency this coming Thursday at 10:00 a.m. in Chicago. The purpose of the meeting is to present Antioch Sewage Expansion plans and to discuss with the agency, Antioch's vital need for expansion at this immediate time. If Mayor Toft feels little headway is made at this meeting, he will leave for Springfield the following day to further negotiate the problem.

Mayor Toft has also been in communication with several of the legislators concerning this matter. This week he received a short note from Senator Karl Berning, along with an attached letter the Senator sent to Mr. A. Hothan of the USEPA.

Berning's note to Toft said, "I have been on the telephone for hours attempting to get some answers. I have talked to the NIPC, State EPA and Federal EPA. Hopefully, we will have some kind of answer shortly."

## ANTIOCH C C COURT DATE SET

The date for the Antioch Country Club vs Lake County suit has been officially set for March 5th. The intervening schools have until the 19th of this month to file any legal documents pertaining to the case and they will have until the 16th of February to make any depositions.

The attorney representing the 33rd, 36th and 117th school districts will be Laurence M. Dunlap. John Sloan will represent the Country Club.

## CENSUS TO GAIN LICENSE

A new census will be taken in Antioch, courtesy of the Jewel Tea Store, 426 Lake Avenue, Antioch; the last census, recorded 3,189 persons living in Antioch in 1970. This figure is just 11 persons short of the needed population for an additional liquor license in the Village. Therefore, Jewel has agreed to conduct the census at their own expense. It will run them about 40 cents per person. If the population has increased by at least 11 people, the board voted to grant Jewel the desired liquor license.

Ralph Trigger, a former Antioch resident, now in the radio business, visited the Village Board meeting, making known his intention of estab-

lishing CATV here in Antioch. He is planning to make a presentation of his ideas for a CATV franchise in Antioch at

the next Board meeting.

Mayor Toft, proclaimed January 21st-28th National Jaycee Week and off-street parking problems were discussed.

The second revenue sharing check was announced as amounting to \$25,934. The check has been placed in the designated revenue sharing trust, invested at 5 percent interest.

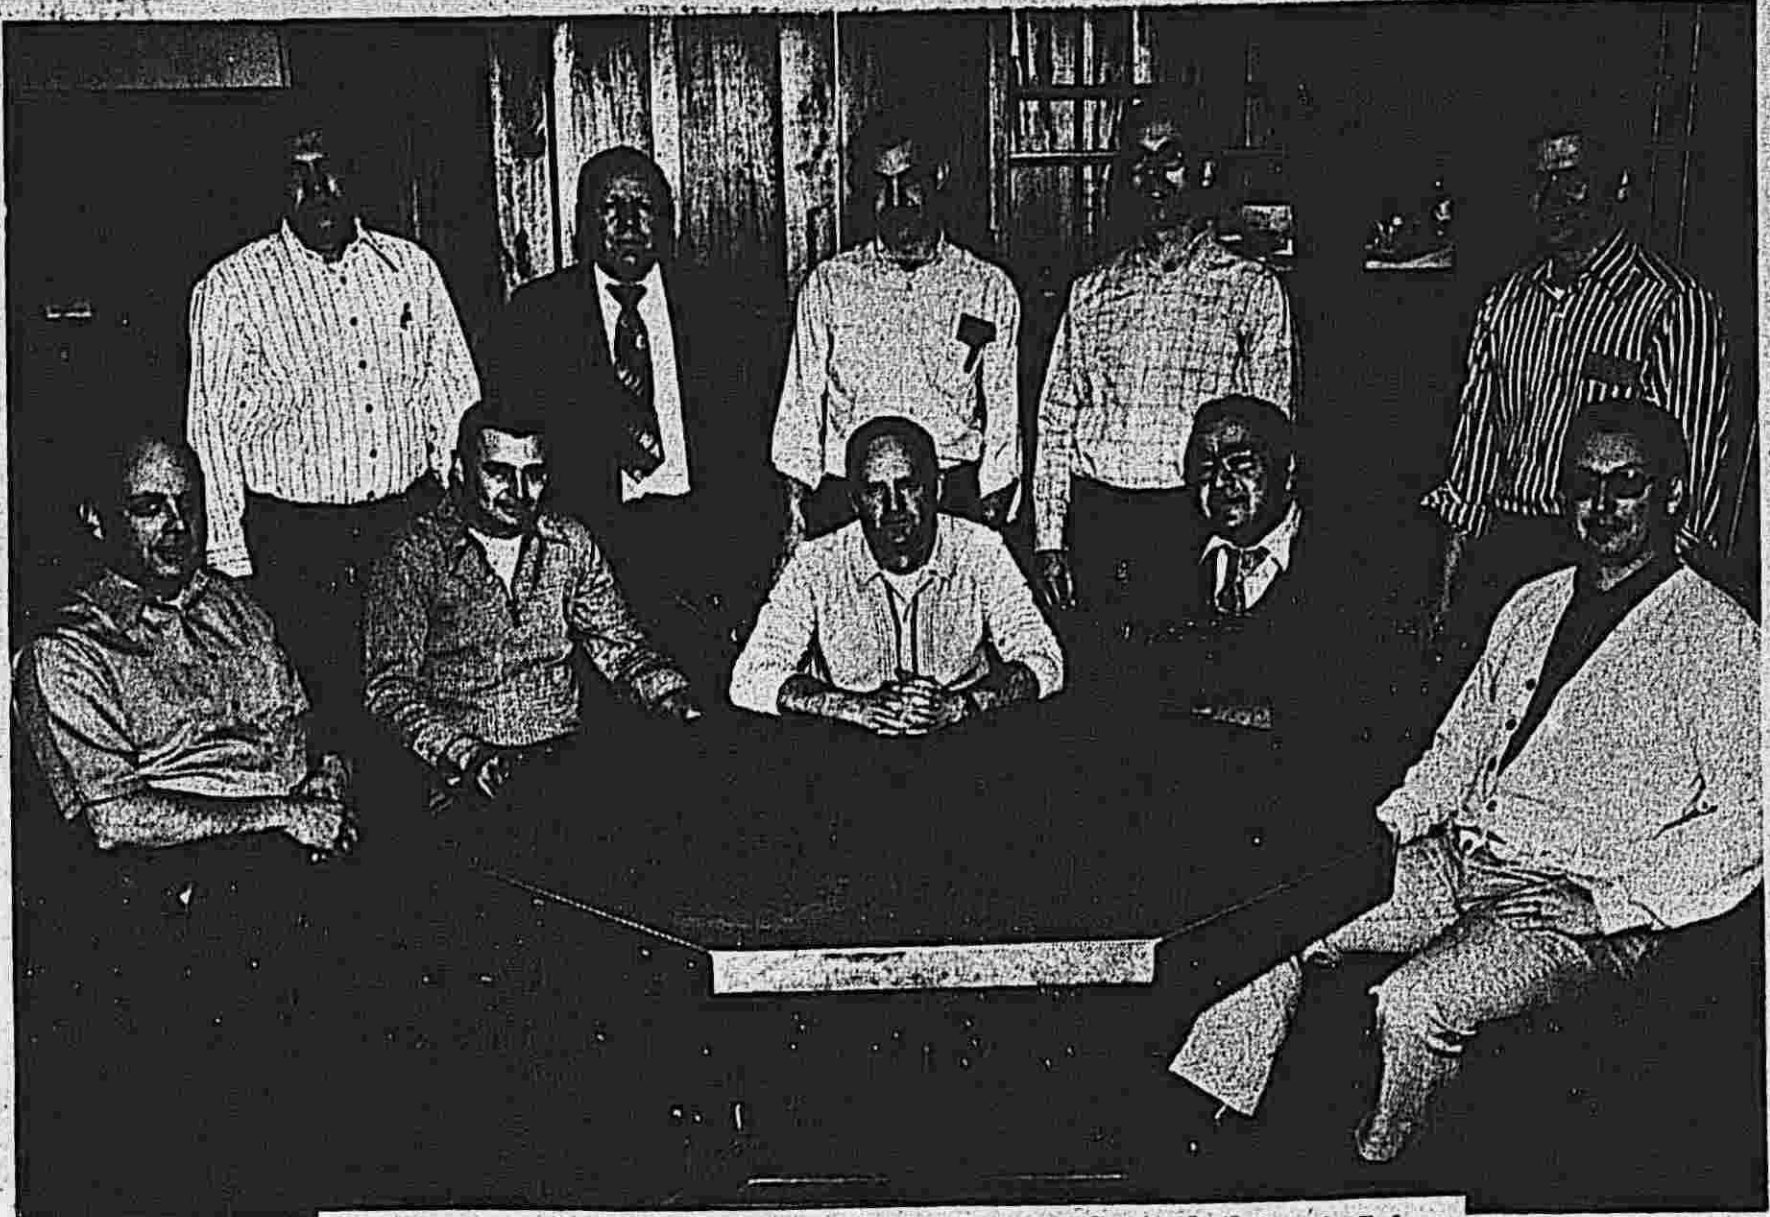

The storm sewer committee was authorized by the board to employ an engineer to draw a storm sewer system that will begin at Main and Poplar Street, extending to 1st Street and may be processed at the going west to Parkway and

north on Parkway to North Avenue. A resolution was also passed by the Board to transfer \$40,000 out of the motor fuel tax fund to be used on the Main Street and Parkway storm sewer system.

### HOMESTEAD EXEMPTION FORMS AVAILABLE

If you are 65 years of age or older, you are eligible for the Homestead Exemption. This exemption reduces property assessment by \$1,500, which will consequently lower your tax bill by about \$90.

Homestead Exemption forms will be available at the Antioch Township Office on arch 1st Street, extending to 1st Street and may be processed at the office anytime thereafter.

## SHEPARD IS LIONS CLUB PRESIDENT

On January 8th, the Lions Club held their installation and awards night at the Antioch Country Club and installation of the new officers was made by Deputy District Governor Red Carrison. Walter Shepard was installed as president, Cliff Houghton as secretary, and John Doetsch, as treasurer.

Awards were also presented to last year's officers, Gus Costoff, Robert Geske, and Don Blackman. Wooden Plaques were awarded to fund raisers

Earl Stringer, for the Beef Raffle, Art Meierdick, for the Barbeques, and to Ray Jensen for Candy Day. Many certificates of appreciation were presented to various businesses and people in the area who helped the Lions Club in some way to adequately carry on their work throughout the year.

The new President, Walter Shepard, said that there are many programs that the Lions Club is planning for 1973. They

will continue the 'Save Our Sight Program, along with the Blind Bowling Program. Sight Conservation which provides glasses for the needy will still be a big part of the Club not to mention, Candy Day, The Chicken Barbeque, or the Beef Raffle.

On January 22nd there will be an annual meeting of the Community Service Corporation concerning the Lions' pool.

## EDITORIAL AN INVITATION

As a newspaper, the Antioch News seeks to remain objective, in their reporting, writing, and presentation of the area happenings. This is often not an easy task as it is difficult to remain nonpartisan and aloof, while immersed in the very heart of a situation or issue. An outlet for these suppressed opinions that are inadvertently formed, can be found in the papers editorial section each week. THE ANTIOCH NEWS also feels that it has a real obligation after collecting the pertinent facts on various issues to present a responsible opinion.

The readers of the paper should also feel the same responsibility to speak out on matters that are important to them and their community alike. For example, so many people have a strong feeling, for or against the impending area PUDS, but they have done little more than shake their heads or paste a bumper sticker on their fenders. This surely is not an adequate expression of opinion. The ANTIOCH NEWS urges you to weigh the facts and to develop a responsible opinion of your own concerning the area developments and in particular to the annexation of the area around the Antioch Country Club now under discussion.

The following three men have already set an example in developing a well-founded opinion and adequately expressing it.

Mr. Albert Dittman, former High School Superintendent in Antioch for 20 years, has been attending the Village Board meetings, and has seen the need for an adequate P.U.D. ordinance.

Dittman said, "my contention is that if municipalities such as Villages and counties would develop ordinances regarding this type of development, it would eliminate a lot of problems. Then when the developers come in with a plan, it can be weighed against the ordinance and if it measures up then it will be accepted. I feel that there is too much emotion and not enough fact, people should get some accurate information before making a judgement.

There is a certain group of people that have taken off against a particular developer. This can be avoided by putting our efforts toward providing a good ordinance that can be applied to any of the developments, which would eliminate getting into a pitch battle with a lot of heat and little factual information."

Lloyd Murrie, Township Supervisor, has also formed a very definite opinion, "I will tell you frankly my feelings on corridor annexation, I am definitely opposed to it. What you would have to have is a narrow strip of land adjacent to the Village that will extend to the property in question.

### CARTER'S VIEWS

You ask for my comments on the various applications by developers for admission of their lands into the Village of Antioch.

"Costs of the Village might be called "people costs" and "land costs."

People costs arise from the sheer number of people within the community: the more people, the more costs. But there are economies of scale: other things being equal, the per-capita cost should decline as the number of people goes up.

Land can also yield economies of scale, but only if it is being used efficiently. Land costs are a function of land area: the greater the area brought under development for a given population, the less the efficiency. The hallmark of inefficiency is the vacant lot, for each vacant lot past which roads and sewer and water lines and other utilities must be extended is a measure of social waste.

Another hallmark of inefficiency is premature subdivision. Subdivision is premature when there is still ample land already subdivided that is unused or underused.

Get a map of Antioch Village and then drive around town and see what you see. Drive through Oakwood Knolls. Then cross North Avenue and go south on Gary's Drive and return on Longview Drive. Repeat this in other sections within the Village limits. Ask yourself whether Antioch is in

danger of running out of space in the immediate future. Ask yourself if it will benefit the residents of Antioch, as homeowners or as tenants, to have the limits of the Village extended at this time, with the attendant increase in costs. Ask yourself who in the community will benefit from such extensions.

Antioch should compete with Fox Lake in the quality of services it renders and in the efficiency with which it renders these services, thus making Antioch more attractive, more desirable than Fox Lake. It should not compete with Fox Lake in follies. (Can you imagine anything more foolish than for Fox Lake to admit the Antioch Country club land into its area of responsibility?)

Naturally I am pleased to have been consulted by you. I hope these few comments will be helpful.

Sincerely,

Weld S. Carter  
214 Hickory Lane  
Antioch, Ill. 60002

What now Mr. Murphy ?

This is the same thing that happened to the Fox Lake Country Club."

Murrie also stated that for "Antioch to annex the property in question (the Antioch Country Club) they would have to go straight down Route 59 and I am opposed to that. In fact I would much rather see the land go to the County rather than the Village."

Weld S. Carter, who is the Executive Secretary of the Committee on Taxation, Resources and Economic Development, and who has a vast knowledge of the American economy system has sifted several applications that in his opinion can be seen in view of the questioned annexation. See Mr. Carter's letter in the Letters to the Editor column.

You may or may not agree with what these men have said, but it is hoped that their opinions have illustrated the many aspects of the issue and that their thoughts will help many to arrive at their own honest and responsible opinion. We also urge others to voice their opinion by either writing or calling the ANTIOCH NEWS.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

### CHAIN LETTERS

Dear Sirs:

In the interest of providing an important public service to your readers, it would be appreciated if you would publish an article concerning the legality of "chain letters."

There has recently been operating in your area a chain letter scheme in which the letter is sold to a person for \$10. The letter calls for the mailing of postal money orders to names appearing on the bottom of the letter. The letter promises substantial returns to all who participate.

This particular chain letter scheme has been submitted to the United States Attorney for the Northern District of Illinois, at Chicago, for an opinion as to its legality. His office has stated that this scheme is a clear violation of the Federal Lottery Statute, Title 18, United States Code, Section 1302. Violators of this statute are subject to imprisonment of not more than 2 years or a fine of \$1,000, or both. Any chain letter that requires the payment of anything of value is illegal. Chain letters may also be in violation of the Mail Fraud Statute, title 18, United States Code, Section 1341, which calls for penalties of up to 5 years imprisonment or a \$1,000 fine, or both, for violators.

You will be interested to know the Postal Service, the Federal Courts and State authorities have, for years, condemned "chain letters" as frauds and lotteries. When, and if, anyone actually profits from this type of scheme, it is those who are "in on the ground floor." Later participants rarely, if ever, recoup their investment; as the progression is so rapid, that the number of prospects is soon exhausted. As an example, one such letter requires a purchaser to sell or mail six copies to others, each of these selling six more and so on. The progression would be as follows:

Level 1	6
Level 2	36
Level 3	216
Level 4	1,296
Level 5	7,776
Level 6	46,656
Level 7	279,936
Level 8	1,679,616
Level 9	10,077,696
Level 10	60,466,176
Level 11	362,790,056

As you can see, by the time Level 11 is reached, nearly the entire literate population of the Earth has been exploited.

Your assistance in bringing this information to your readers will be appreciated.

Sincerely,

W.L. Culkin  
Postal Inspector in Charge

## GRADE SCHOOL BOARD CONSIDERS BUILDING EXPANSION

At the Antioch Grade School's monthly meeting on January 9th the board gave their go ahead to the administration concerning tentative building plans. The administration will work with an architect in considering tentative plans for an addition to the

Oakland School. They will be checking the feasibility of the expansion in terms of the soils for sewerage system possibilities, water, heating plants, and so on. The administration will also start developing initial plans for the possibility of a new school someplace in the Antioch area and for future building needs of the Antioch grade school, kindergarten through fifth grade and the Channel Lake Building.

Antioch Grade School Super-

intendent, Henry Meyer said, "What we are attempting to do is to develop a five or six year tentative building plan in terms of the estimated building needs.

A committee was appointed by the board to work with salary negotiations for 73-74.

The Board also adopted the calendar for the Board of Education elections and a legal news publication. Board of Education elections are scheduled to take place on April 14th.

Lastly, the Board gave their approval of a contract with Miss Dorothy Hirsch, a learning disability teacher, Meyer said, "In the past this has been handled by the SEDOL program, but it is beneficial to the school district to have an employer of their own, and it will not cost us anymore than if she were employed through SEDOL."

## DR. E. R. ABDERHOLDEN MADE PRESIDENT OF STAFF OF VICTORY MEMORIAL HOSPITAL

Dr. E.R. Abderholden of 400 Winsor Drive, Antioch, has recently installed as President of Staff of Victory Memorial Hospital.

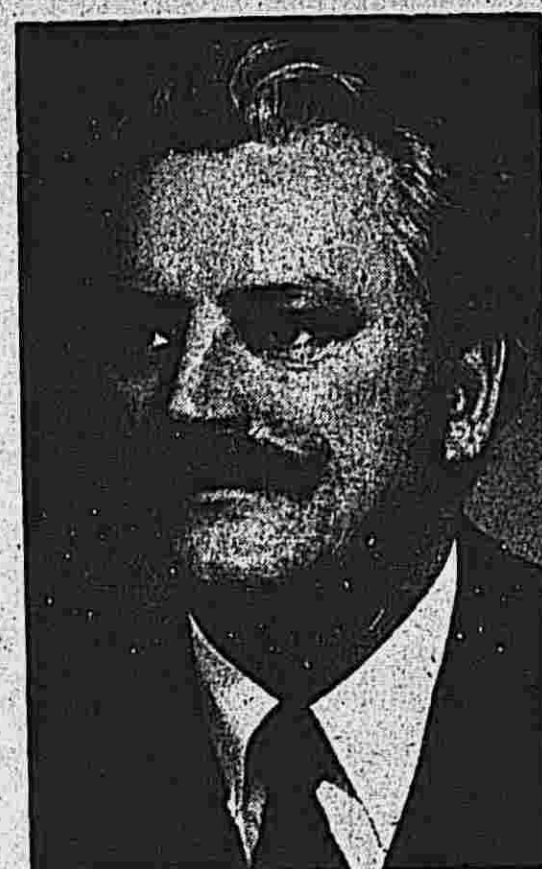

Dr. Abderholden received his Medical degree in 1956 from Stritch School of Medicine, Loyola University in Evanston where he was also a member of Alpha Sigma Nu and Phi Beta Pi. He took his Residency at St. Joseph Hospital in Chicago and in 1958 came to Antioch.

Dr. Abderholden is also an Active Staff Member of St. Therese Hospital, a Director of the Lake County Heart Association, and a Director of the American Cancer Society.

He is a member of the American Medical Association, Illinois State Medical Society, Lake County Medical Society, and the Illinois Academy of General Practice. He is past President of the Lake County Chapter of American Academy of Family Practice.

He was a member of the Board of Directors of Countryside Hospital, a Director of the Lake County TB Sanitarium, and a member of the Mental Health Association.

Doctor's other activities include: Member of Board of Directors at Antioch Savings and Loan since its inception, member of Lion's Club, Chamber of Commerce, Knights of Columbus, and for the past six years has been advisor to the Lake County

DR. ABDERHOLDEN

Chapter of the American Association of Medical Assistants.

Dr. Abderholden is married and has six children. Besides being a busy wife and mother to a young man and woman in college, two boys in high school, and two boys at St. Peters School, his wife Dolores gives much of her time to the Ski Patrol at Wilmot. His mother, Ann, and his sister, Mrs. Marianne Robeck, reside in Arlington Heights, Illinois.

In 1966, Dr. John Lorang of Tekoe, Washington, joined Dr. Abderholden in his practice; and in 1972, Dr. Robert Barnes of Antioch joined the team.

Dr. Abderholden's hobbies, besides his family, are horse-back riding and fishing.

## FALSE ALARM

At 5:00 a.m. on January 11th, the alarm system sounded at the Foremost liquor store in the Antioch Plaza, drawing the Antioch Police, the State Police, the Lake County Sheriff's Office, and the Lindenhurst Police Department.

Chief Wells, Sgt. Pett, and Officer Mason searched the entire inside area of the store, while the other departments searched the roof surrounding areas. The manager of the store arrived, and after a thorough search was completed, he said that nothing had been taken. What did set the alarm off is not really known, but it is more than likely that it was activated by traffic in the plaza.

## SEWER FIGHT CONTINUES

Continued

stated that "there appears to be little likelihood that Antioch can meet the December, 1973, water quality standards required by the State of Illinois, unless the Federal EPA approval is obtained forthwith."

In the letter, Berning also requested they review the matter and advise him, what, if anything can be done and what requirements by the FEDERAL EPA have not been met by Antioch.

Kenneth A. Alderson, who is the manager of the Intergovernmental Liaison Section, informed Karl Berning that EPA approval of Antioch's expansion plan hinges on many factors and has been complicated by the regional sewage treatment facility scheduled to be built in Fox Lake, as soon as 1975. Because of this, the federal government has expressed concern as to the advisability of expanding the Antioch facility.

The letter also stated, that, "Until such time as federal grant program guidelines are made available by the USEPA it is not possible to resolve the Antioch grant application. The feasibility of the new timetable contemplated by Lake County will to a large part, depend upon these guidelines. It is anticipated the federal government will withhold certification of the Antioch grant application until such time as final determination of the Lake County regionalization timetable is provided."

## BURGLARIES ON THE RAMPAGE

The Antioch Police Department has been kept busy these last few weeks investigating several area break-ins.

Last Sunday, two wire-plate glass windows were broken at the Antioch Upper Grade School. At first nothing appeared to have been stolen, but upon further investigation a 3 h.p. motor was found missing.

On January 10th, the Police were able to wrap up the case. They found their man, or should we say boy. The burglar who broke the window and stole the motor is a student at the grade school. He planned to motorize his ice sled with the motor he stole.

The parents of the boy appeared at the Police Station and the case will be treated as a juvenile matter. The motor was safely returned and the boy's father has agreed to make full restitution for the approximately \$50 worth of damages incurred.

Last week the Haley Brothers Cleaners on Orchard Street was broken into and \$30 to 40 worth of currency was stolen. This week on January 9th, a similar robbery occurred at the Lake Side Restaurant on Lake Street, between 12:30 a.m. - 5:00 a.m. The burglars forced their way into the restaurant and attempted to enter both the juke box and the cigarette machine. In both cases they were unsuccessful, but upon leaving the restaurant they took the National Cash Register with them, that contained approximately \$40.

At about 6:00 a.m. that morning Police chief Wells and Officer Mason were notified that the cash register was lying on the side of a road near Channel Lake, and it was then picked-up and returned.

Regarding this case Wells said, "Due to an investigation and apprehension by the Illinois State Police, I was notified at 3:30 a.m. that the State Police apprehended suspects. Along with Sgt. Pett, I went to the Fox Lake Police Station to question them. One of these men said he was not involved in the two Antioch break-ins mentioned above, but he volunteered information on who was."

Further investigation by the Antioch Police Department is now in progress, although in the words of Chief Wells "the department is pretty well satisfied that the burglaries

are solved."

Wells also gave credit to Officer T. Zielinski, who did alot of the initial investigation work on these burglaries.

### CRASH FATAL TO LOCAL MAN

Three persons were killed in a two-car collision last Sunday night on Route 83 just south of Antioch. Two of the victims were teenagers, Kevin W. O'Brien, 19, of 1110 Ash St., Waukegan, and Michael Lomastro, 19, of 503 N. Brice St., Mundelein. The third victim was a father of three and former resident of Antioch. He was Raymond Zeason, 50, of

Camp Lake, Wisconsin.

According to John Amen, Chief Deputy Coroner, the accident occurred at 7:15 p.m. Sunday evening as the car driven by O'Brien was traveling south on Rte 83. He had just passed two cars, also southbound, and was traveling at a high rate of speed on the icy pavement when he slammed head on in to Zeason who was traveling north on Rte 83. Amen reported that all three victims were pronounced dead on arrival after "receiving extreme traumatic injuries as a result of the accident".

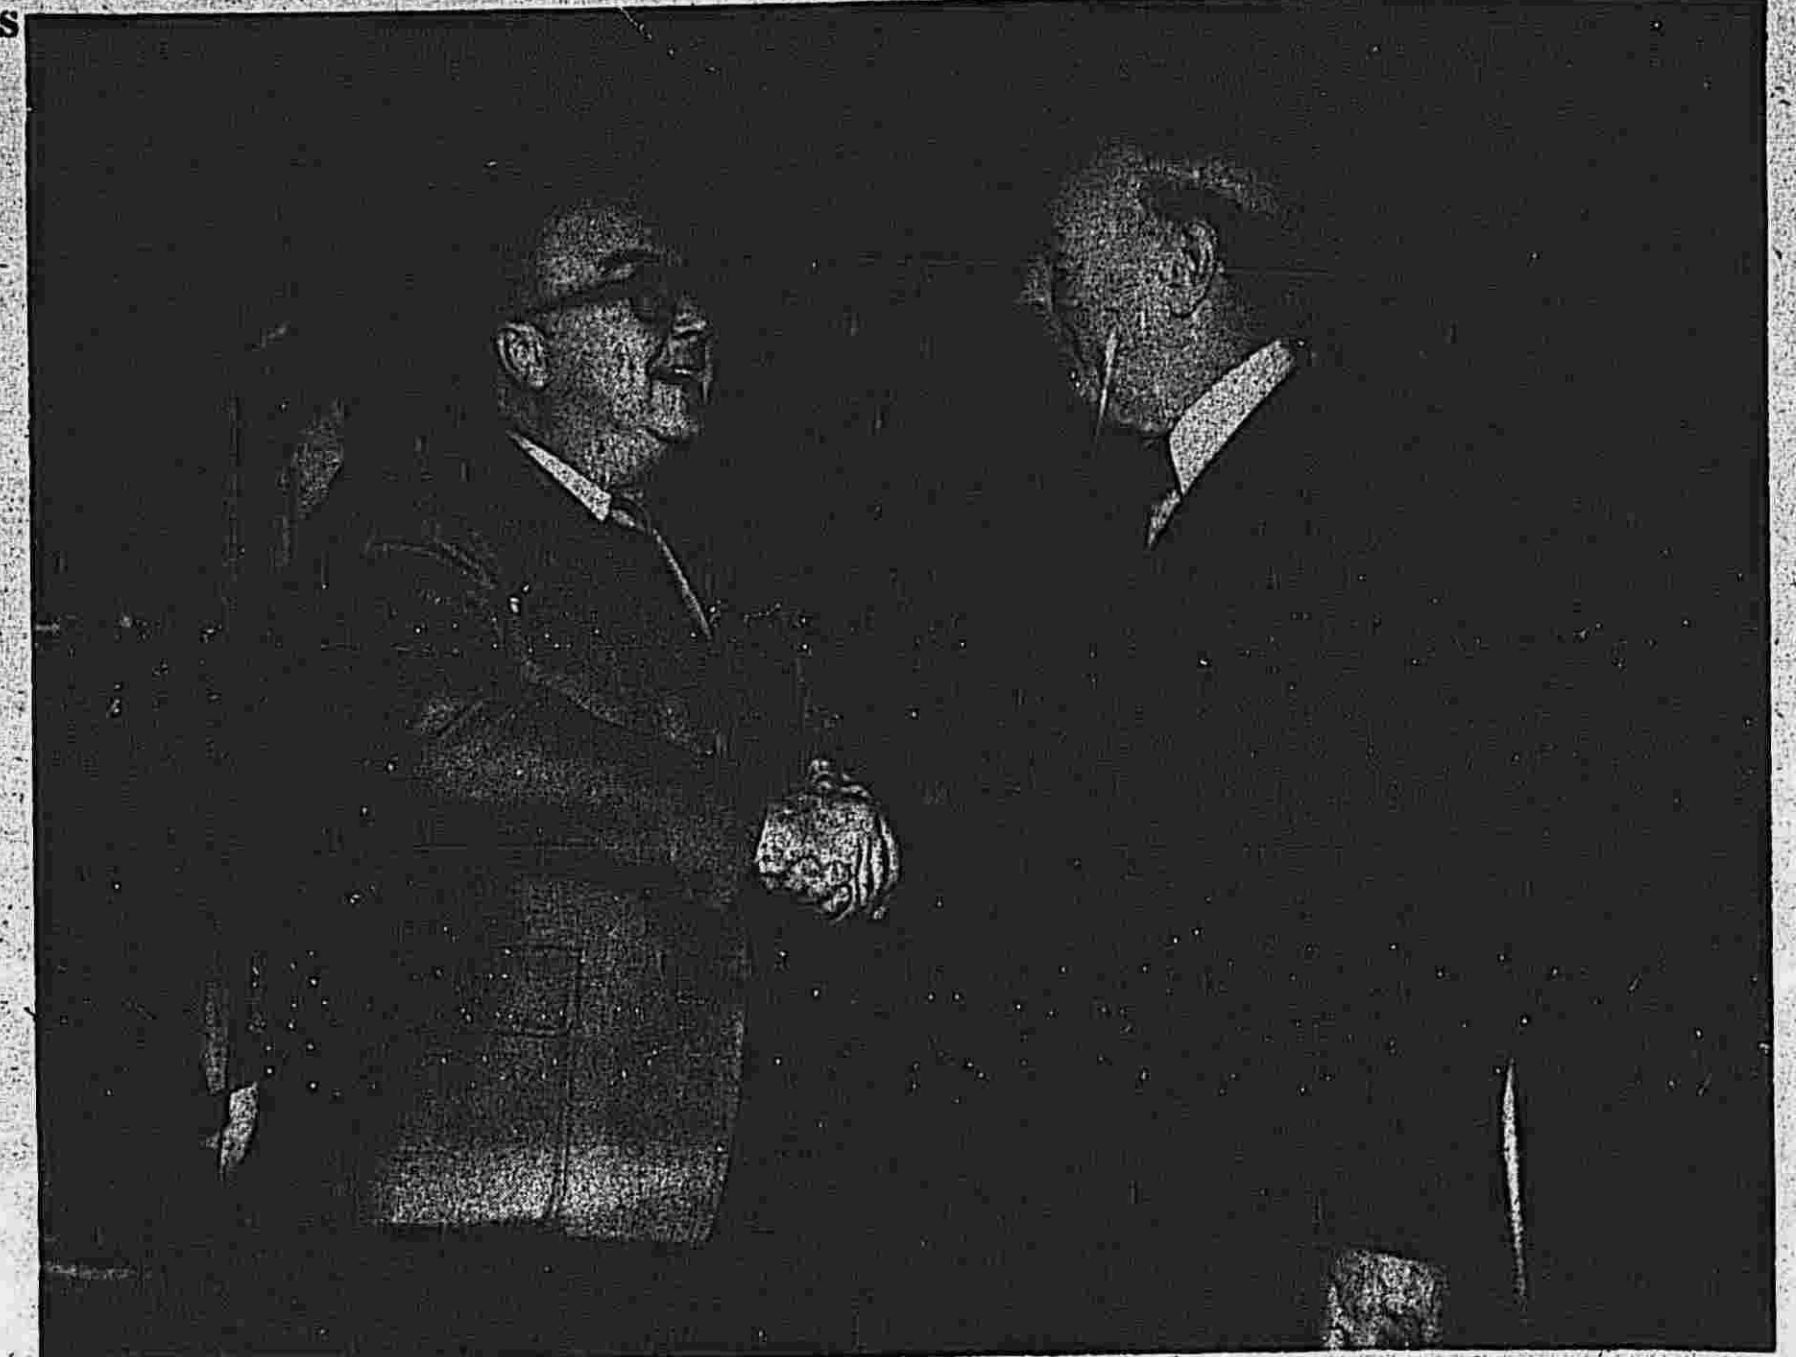

A coroner's jury has already been sworn in to investigate the accident and an inquest will be held in a few weeks.

All of the bodies were taken to the Strang Funeral Home in Antioch.

LETTER OF COMMENDATION

Mr. John Horan  
Antioch Area Chapter #387, AARP, Inc.  
407 Orchard Street  
Antioch, Illinois 60002

Dear John:

It is with genuine pride that I express to you the appreciation for the high fidelity with which you have performed in your official capacity with your local AARP chapter, as well as on behalf of the national organization of the American Association of Retired Persons. You have been a sturdy fixture of our organization in one office or another for many years. You have been a decided credit to us. It is impossible to translate into words the respect and admiration for you that I see etched upon the faces of your AARP friends for your tireless efforts on behalf of the Association. God bless you, and may you continue to enjoy life at its best and go forward to greater achievements.

Very truly yours,

Eugene H. Molenaur  
Regional Representative  
Area V, AARP/NRTA

### JOHN HORAN COMMENDED

The above "Letter of Commendation" was mailed to Clarence F. Spiering, President of the Antioch Chapter, No. 387, American Association of Retired Persons, (AARP) to have same presented to John L. Horan, a past president and program director, having been mailed from the office of American Association of Retired Persons and National Retired Teachers Association under the supervision of Regional Representative, Eugene H. Molenaur.

The presentation took place at a regular monthly meeting on Tuesday, January 9, 1973 at the meeting place, the United Methodist Church of Antioch. (Staff Photo)

## Along the Way with

## Annie Mae

I think we can name this the "ill health" week of the year - Our writer, Kathy Kaus had a number of people to contact on Friday and just about everyone she called was or had been sick - the flu bug hit Lillie Petty and prevented the Petty's from taking the Inauguration Amtrack trip. Mr. Al Dittman and Henry Meyer met up with the same bug as did Rog Andrews who missed his first basketball game in 18 years (He wasn't "sick" of the game).

Other people on the sick list are Lillian Golonka, and Lillian Olson who is in St. Luke's Hospital in Chicago, also Mrs. George Good and the "Lady Librarian," Polly Bruhn are in Victory Memorial Hospital, both following Monday surgery. Remember these people with your cards and phone calls - the days get awfully long and lonely.

Get wells to Edith Elms, Dolores Molgard, Clarence Shultis and Mary Ernst who are all recovering in Victory Memorial Hospital.

On the brighter side - Guess having BARB Ano's birthday in last weeks column made for a "HAPPY BIRTHDAY" for her. Working at the high school Barb had a full day of well wishes - plus pretty royal treatment from her family - "Advertising Pays Off" eh Barb?

One couple who believe in at least once a year "honeymoons" is Ken and Betty

Smouse. Taking off for a weekend at Pheasant Run, they were eagerly anticipating an entertaining evening with the opening of "How the Other Half Loves" with Hans Conrad. Some of you grumblers take notice - Happiness is.....

Russ Barnstable's two lovely blonde nieces Pat and Priscilla Barnstable were on the "Tonight Show" on January 15th. You can also get a glimpse of these lovelies on the "Bob Hope Christmas Show" to be aired on January 17th.

Happy birthdays this week go to Peg Webb on the 17th, Mrs. Effie Nelson who is 90 on the 18th, to Jeff Gutowski on the 21st and to Clem Haley and Chris Miller on the 22nd. And last but not least - Joanne Dugenske who celebrates on the 23rd. Tammy Jean Dowell can blow out one candle on January 18th. Also, many happy to Sandi Stewart who will be 18 on the 18th.

Our condolences to the Hunt, Olson, Wertz and Zeason families on the loss of their loved ones.

Time to warm up the dancing shoes - January 20th is the big night for the Chamber of Commerce Installation Dinner Dance. Jay Dziki will be duly honored as the incoming President as will Hillard Tobieski as the out going president. Get your tickets now.

The Antioch Chamber of Commerce Installation Dinner Dance will be held on Saturday, January 20th at the Antioch Country Club. Cocktails and hors d'oeuvres starting at 6:30 p.m. and, as in the past, two complimentary drinks per ticket are provided....courtesy of your two local banks and the Savings & Loan Association. Dinner featuring Prime Rib of Beef will be served at 7:30 p.m.

A brief installing ceremony, honoring outgoing President Hillard Tobieski as well as

A good place to have your Sunday night Supper on January 21 will be the Antioch United Methodist Church. The UMYF is sponsoring a Chili Supper in order to raise money to help the people in Managua. Paul Mapleshorpe assures us it is going to be GREAT.

recognizing Jay Dziki as incoming President, will precede a performance by Dr. Morton A. Ford, renowned hypnotist and outstanding entertainer.

Morton A. Ford has traveled throughout the country giving lectures and demonstrations regarding his work in furthering the cause of hypnotism. His work has included teaching hypnosis to all the professional healing sciences, and practical demonstrations.

He has put hypotism to a variety of successful applications. He has helped overweight persons reduce safely and healthfully, made childbirth delivery more comfortable and painfree for expectant mothers, made non-smokers out of heavy smokers, and many other varied and helpful accomplishments according to the patient's wishes.

He will show the entire range of hypnosis, with the emphasis placed on entertainment. The program will be informative and practical, plus the added bonus of his friendly, natural charm.

band until 1:00 a.m. will top off the evening.

Tickets are \$9.00 per person and are available at the Chamber Office, from Jack Fields or Pres Reckers at the State Bank or from Mr. Woods at the First National Bank.

Reservations must be in by Friday, January 19th.

## PM&L TRY-OUTS

Tryouts for the happy musical "You're A Good Man Charlie Brown" to be presented by PM & L in April will be held on Sunday, January 28th at 2 p.m. at the PM & L Theatre, 877 Main St., Antioch.

Director Don Beveroth needs 6 young people - 2 females and 4 males to fill the roles. Anyone interested in working on the production staff is also welcome to come to tryouts.

## RICK NELSON - WRESTLER PAR-EXCELLENT

Rick Nelson is making a name for himself - and he's doing it in one of the roughest sports in collegiate competition: wrestling. The former Antioch High student is currently the third ranking wrestler on the Western Illinois University Varsity, outpointed only by heavyweight Jim Woods and co-capt. Joe Protsman.

Rick, son of Mr. and Mrs. Roy Nelson of Antioch, recently competed as a member of the Western Leatherneck squad in the 1972 Midlands Championships at McGaw Hall in Evanston. His 3-2 record placed him among the top ten wrestlers in his weight class in the tournament: he decided his opponent from the University of Minnesota 7-2; University of Wisconsin (Milw.) 14-6 and lost to Clarion State (Pa.) 5-3. In The Wrestling-back he pinned his Northern Ill. opponent but lost to Wright college 2-0. As a team, the Leatherneck grapplers won their collegiate division - not bad for a team which was competing as a regular squad for the first time in a tournament which annually serves as a preview to the NCAA meet.

According to Head Wrestling coach Bob McMahan, nationally recognized Western Illinois should have its "strongest wrestling team in history this season. We will be extremely strong from 142 pounds through the heavyweight." And

that puts Rick, at 167-177 pounds, right in the middle. Through December 30, 1972, Rick has piled up 26 team points for the Leathernecks and an overall won-loss record of 8 and 2.

A math major and honor student, Rick finds wrestling is a lonely sport. "You have your teammates around you, but you're alone on that mat. Wrestlers psych themselves up for a match in various ways. Rick and his roommate Max Branum, All American Wrestler at 142, slap each other around until they're good and mad and then take it out on their respective opponents.

It was the chance of meeting national champions that caused Rick to transfer from West Point Academy to Western at the beginning of his Sophomore year. Although he was a varsity wrestler as a freshman at the academy, Rick felt he needed stronger competition to realize his own potential as a wrestler. Wrestling at 150 pounds, Rick won the All New England Tournament and was a quarter finalist in the College Division Nationals held in North Dakota. "But, in regular meets, the best I met tended to be state champions. Illinois is one of the five top states in the nation in producing top wrestlers, and that's where I felt I wanted to be." One of Rick's greatest satisfactions was meeting and defeating a former Hungarian National Champion at the

Illinois Invitational meet. This was the second time they had met - the first time was while Rick was still in high school and took part in a Chicago Park District meet in 1970 - the first time, Rick was defeated. "Because of illness while I was in high school I never really had a chance to be a state champ - so, this was one chance to measure my progress."

There are only two motivations for wrestlers (or, for that matter, most other competitors) said Rick, "Fear of

failure, which was the way I wrestled in high school and even, for a while at the academy; or Desire for success, which is how I wrestle now."

Whatever his motivation, it seems to be working. The toughest part of the season lies ahead of the Leathernecks, but Coach Bob Mahan expects his 1972-73 club, "barring any unforeseen mishaps, to finish among the top three (teams) in the nation." And Antioch's Rick Nelson will be a very important part of the action.

## RASH OF FIRES IN AREA

There have been six area fires in the last nine days. Four of them occurred between the 9th and the 14th and caused an approximate total of \$27,600 damage.

At 10:59 a.m. on January 9th, \$7,000 damage was done as a fire broke out on Rte 173 by Channel Lake. The house was owned by Robert Palm and was occupied by Jerome Clair. Cause of the fire is undetermined as the interior was so badly damaged.

The next day, January 10th, a car fire occurred on Depot Street. \$200 damage was done to a 1967 Chevy that was owned by Elmer Kennenbeck, of Wauconda. The cause of the fire was attributed to a gasoline leak under the hood.

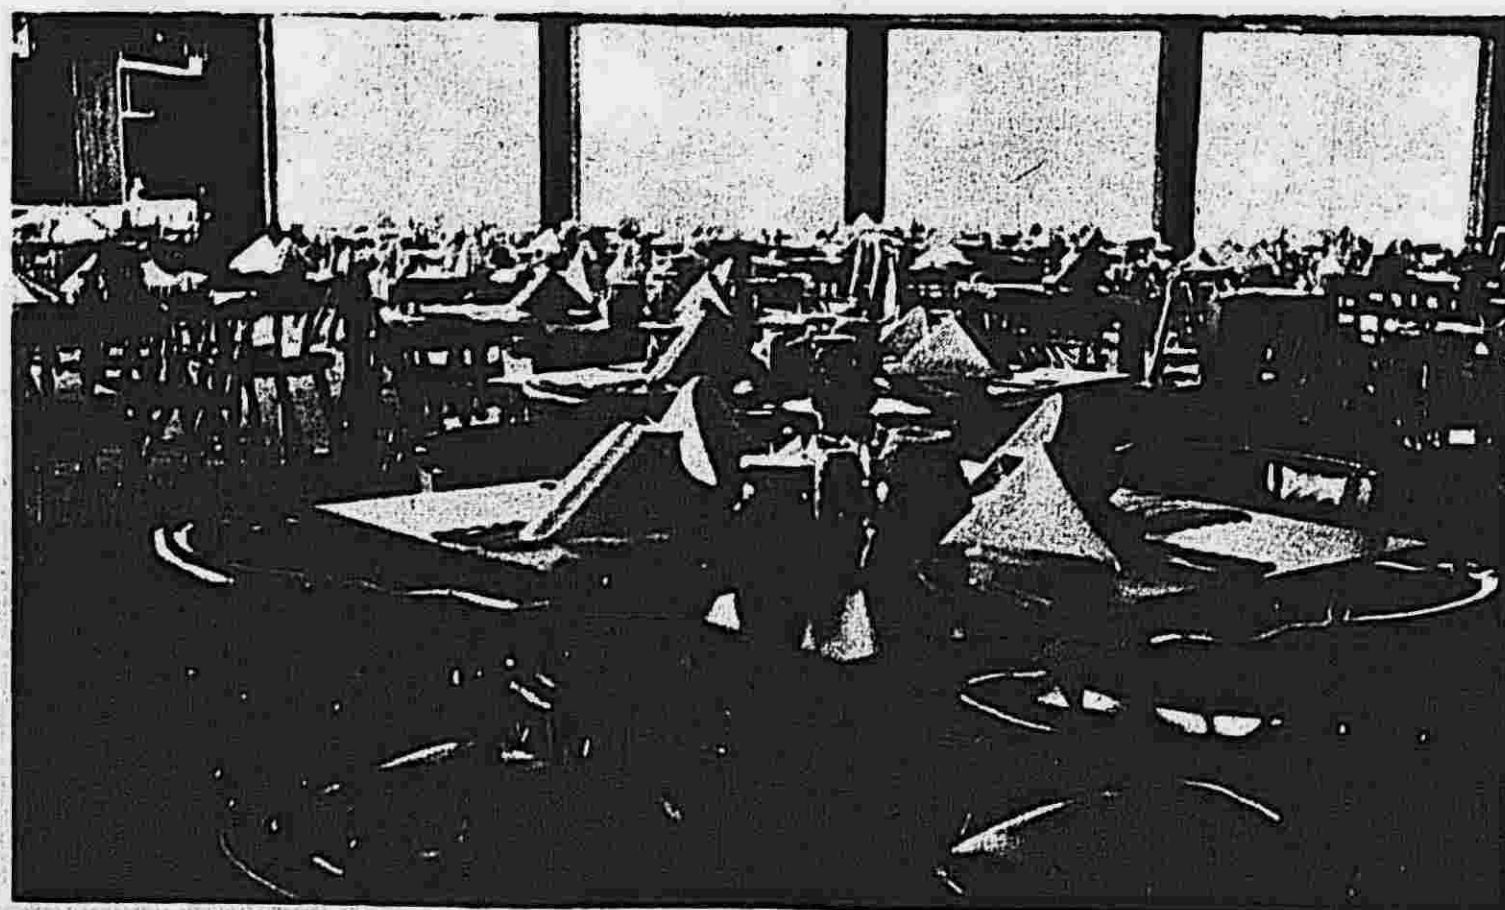

Fire broke out on January 11th at 11:05 a.m. at the Grass Lake Bridge on Grass Lake Road. The fire caused \$7,400 damage to a construction trailer that is owned by Eric Bolander from Libertyville. Extensive damage to the trailer prevents the determination of the cause.

Route 83 was the scene of the fourth fire as a house burned 3 miles South of town. \$13,000 damage was done to the house, which is owned by John Duke. The fire broke out in the living room, but again that cause is undetermined. The home was unoccupied at the time of the fire.

...MORE ON COPYING... Last week we enlarged a simple drawing on an 8½" x 11" paper. We discovered that a bottom strip of that paper was excess and could not be considered in the drawing. **LEARN-THAT RECTANGLES WITH COMMON DIAGONALS ARE PROPORTIONAL.** Actually, you can use any size of paper as long as the bottom and sides are on that diagonal, as is illustrated below.

The following could happen. In Figure 1 below, the excess is on the side and in Figure 2, the picture and the paper are in true proportions, that is there is no excess. Just remember if there is an excess, disregard it in the copying and perhaps improvise on it afterwards.

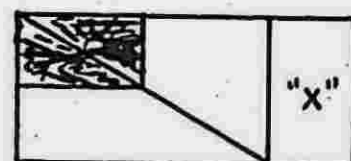

FIG. 1

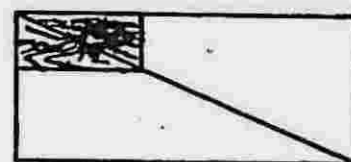

FIG. 2

In copying by this method, I would suggest you protect your picture by taping over it a piece of transparent tracing paper, wax paper or plastic. Use a pencil to mark the guide lines on the tracing paper, a big pin to scratch lines on the wax paper and a grease crayon or china marker to make lines on the plastic. On your drawing paper, make the guide lines with a very sharp pencil and so lightly that you need only the minimal amount of erasing to get rid of those lines after the drawing is copied. Use charcoal on canvas and dust away after the drawing lines are painted in with diluted oil colors. If you are enlarging by this method on a wall, you can use a chalked line to make the guide lines. Hold the chalked line taut, between two points, and pluck it and let it bounce back to the wall where it will leave a neat line.

By simply reversing the procedures given last week you can accurately reduce a large drawing to whatever size you need.

This mechanical method of copying does not assure a work of art. It is the exciting way in which you complete the drawing or painting that makes it. The methods of copying were given to help you in your own endeavors, from minatures to murals.

Happy copying.

## MIGHTY FISHERMAN

David Palaske, 9 years old, 900 Hillside Avenue, is pictured here with the 53 lb. sailfish he entered in the Metropolitan Miami Fishing tournament. He was fishing out of Miami Beach with Capt. Bill Miller on the Rave as guide. He will be awarded a Citation for his outstanding catch.

The George Palaske family spent their Christmas holiday in Florida. Mr. and Mrs. Palaske, Mary, Doug and David had a marvelous time at Disney World as well as taking this special fishing trip. Dad was very proud - even a little envious.

## SEQUOIT AUXILIARY V.F.W.

Sequoit Auxiliary V.F.W. met on January 8th. President Shirley White conducted the meeting. Lillian Burnette, and Olive Hall was reported on their delivering Christmas cheer baskets. Florence Morin reported she is putting in six hours a week volunteer service at Downey hospital. A donation for canteen books was made to

be sent to Downey hospital. A letter from the Girls Junior Unit at National Home in Eaton Rapids, Michigan was read asking all auxiliaries to take part in their Betty Crocker coupon drive so they can purchase a new fire engine. Lillian Burnette served refreshments which was enjoyed by all.

Antioch has been plagued with a fairly serious problem the last couple of weeks as has the whole state of Illinois and various other states scattered throughout the country.

The problem sounds familiar as it is a sickness known as the flu, but it is not "the flu" that we have known and grown accustomed to in the past years. Its weariness as a problem is negotiable, but it is thought to be a most severe problem especially when it is being or has been experienced on a first hand basis.

An upset stomach accompanied by heaving and a case of the "trotting runs" is not characteristic of this new flu as it was of the Hong Kong Flu. This was more prevalent in the last few years, and is still alive and well in some areas, though not in as great proportions.

Rather, this new flu that has been called the London Flu or the English Flu, has taken on new, equally uncomfortable, undesirable characteristics. It is highly contagious and can be recognized by a wretched cough, fever, headache and an aching body to boot. Its onset is very sudden and it is scary to think that it may be upon you by the time you finish reading this article. This flu is not of the good old 24 hour nature and it may choose to hang around for days or even weeks. It should also be noted that flu outbreaks are heaviest between January and March.

There is no effective vaccination for this type of the flu as of yet, just as there is no effective cure. Doctors recommended that the best cure is to stay in bed, drink plenty of fluids, and to consult a doctor depending upon severity or persistence of the symptoms.

## American Legion Auxiliary

"THE VOICE OF THE PEOPLE MUST BE HEARD!" is the theme of the national legislative program, according to Miss Sandra Brady, district legislative chairman of the 10th District American Legion Auxiliary. "We must not put off until tomorrow what we can do today. BE INFORMED!" Miss Brady urges all Units and their legislative chairmen to subscribe to the National Legislative Bulletin. These chairmen can then report to the members when important bills are pending before the state and national legislative bodies, at their Unit meetings. "Be ready to act! Be well informed on legislation! When the call comes, action must be taken promptly. Write a personal message to your senators and Congressmen. They must know your thoughts so that they can be guided by the majority of their constituents' decisions.

Valuable information can be found in pamphlets "How A Thought Becomes A Bill" and "How a Bill Becomes A Law". These brochures can be ordered from the National Legislative Commission. Since January is considered "Legislative Month" in the American Legion Auxiliary, this important program is stressed at this time. Unit members are asked to assist in keeping the American women informed about measures essential to the nation's security and to help promote legislation pertaining to veterans. Miss Brady asks all interested persons to write to their

Senators and Congressmen, informing them of their stand on the bills being presented. Lastly, she requests that everyone keep writing their representatives regarding the situation of the prisoners of war, and the men missing in action in southeast Asia. They should be made fully aware of the deep concern of the American people concerning these unfortunate American servicemen.

Mrs. Ray Rathmann, Antioch, 10th District Junior Activities co-chairman, announces that the 10th District Juniors will be holding a slumber party meeting, starting at 7:30 p.m. at the Homer Dahringer American Legion Home in Waukegan, on January 26th. Juniors wishing to attend this party meeting, should contact their local junior activities chairman. Mrs. Bernard DeVries is the Antioch Unit chairman.

On January 29th, at 8:00 p.m., the 10th District American Legion Auxiliary will hold their winter board meeting at the Libertyville American Legion home. Mrs. Everett Ainsworth, Lake Forest, District President, will conduct the session.

Auxiliary members will be saddened to learn of the sudden death of Mrs. William O'Neill of Lake Forest on New Years' Day. She was a past president of the Lake Forest Unit, a past 10th District Director, and was currently serving as district Auxiliary Loan, Educational Scholarship chairman.

## BITS AND PIECES

By: Taffy Engelhardt

Friday night's game started great when our Spirit Can Man, Terry Olsen, got the crowd going with our "Went to the River" cheer. It was a close game all the way through but we won by 8 points in the end. We missed Coach Andrews, who was home sick. Coach Allen did a good job, leading the Sequoits to another victory over the Wauconda Bulldogs.

As for Sturday night's game, our crowd wasn't as large. We played the Lake Zurich Bears away. It was an easy victory. There were many fine plays made by the Sequoits. I've heard some complaints made about not having a spectator bus at this game. The reason is because no one bothered to sign up for the bus so we couldn't plan one. We must have 25 signed up before we can take a bus.

At Tuesday's Student Council meeting the agenda consisted of: S.I.S., the March of Dimes, Pins and the Spring Play. Wendell Burris will have a report prepared for next week's meeting concerning S.I.S. Jim Scribner is heading up our March of Dimes Program which will be held January 27th. We are waiting for our kit with armbands, etc. We also plan to try and involve the Class Executive Board's with this drive. We also are considering having council members go around school (for the March of Dimes) on January 26. We hope to make this a big success and need some enthusiasm and co-operation from other students and the community. The third thing on the list was Student Council pins. It was decided we would order them soon. In past years, these pins were ordered at the end of the year and many

students left for college and could not receive their pins. We're trying to alleviate that problem. Jim Scribner then presented us with an idea that has been kicked around with the interested drama students from last year. They are asking Student Council to put up funds for a Spring Play. The Council would give the drama group the money to get it going and hopefully it will pay for itself in the end. The problem is in a sponsor. More research needs to be done. We also discussed, with no outcome, the idea of another Rap Assembly similar to last years. The meeting was then adjourned.

Below is a poem that was submitted by Donna Kolle. It was found in Dear Abbey quite awhile ago.

Gettin stoned on sunshine,  
gettin high on air  
Gettin to it naturally, really  
gettin there;  
Gettin such a howl on, lovin  
what I do  
I'm so full of happiness,  
hooked on something new.  
My pot is filled with flowers,  
my grass is bright and green  
My tea is brewin in my cup,  
and still I make the scene.  
Please don't try to change me,  
I love the world I've found.  
Gotta fly my own sweet way,  
don't try to shoot me down.

The freshman class sponsored a dance Friday night after the game. It was their first dance and was really quite successful. There was a big crowd pulled in by the band. I wish I could name the band, but, as of yet, they haven't one. The crowd seemed to like it though. This dance helped get the freshman back on their feet financially.

## G.S. DRIVERS COMPLETE DEFENSIVE DRIVING COURSE

Fourteen Antioch Grade School bus drivers have recently completed a defensive driving course conducted by State Trooper, James Vargas. The course was operated through the Illinois, State Police Organization and it covered the following items: "How to avoid a vehicle ahead of the driver;" "How to avoid a collision with a vehicle from behind;" "How to avoid an oncoming vehicle and how to avoid an intersection collision." The course also covered the art of being passed and passing and several other miscellaneous points.

Grade School Business Manager, Samuel Kohr, said, "The course placed emphasis on the fact that alot of times the person in the right ends up "dead right", and that even though you are in the right, you can avoid a fatal accident."

Drivers awarded defensive driving certificates were: Dale Conklin, Frank A. Muller, Shirley M. Robinson, Thomas G. Robinson, Jr., Lee Scott, John A. Wells, Victor M. Muller, Carl B. Leatherberry, Clyde A. Nettles, Raymond A. Ruthmann, Thomas P. Spacek, Hershel E. Benton, James

## NEW 4-H CLUB BEGINS

Officers of the new 4-H Club in Antioch, The Young Ideas, are Jean Schoelzel, president; Marlene Wells, vice president; Kathy Murphy, secretary; Gloria Wells, treasurer.

The new club consists of twenty-four members. Some of the projects the members chose are: sewing, knitting, cooking, home furnishings, reading, babysitting, candle-making, ceramics and macramae.

Mrs. J. Schoelzel is the new leader, Mrs. R.A. Wells and Miss M. Oetting are her assistants. Also helping as Junior Leaders are Marlene Wells and Janet Schoelzel.

## FIRE TECHNOLOGY COURSES AT CLC

The College of Lake County is offering two courses in fire technology for the 1973 Spring Semester.

Fire Tactics, Strategy and Rescue is given from 7:00 to 10:00 p.m. each Wednesday at the College campus and on Thursday at Waukegan West High School.

Fire Administration I is offered from 7:00 to 10:00 p.m. and Monday at CLC and Tuesday at West High School.

Every week the course material will be the same for each class period to accommodate those firemen on revolving shifts. For example, an individual on duty on Monday evening could attend the Tuesday class and receive the same instruction presented the previous night.

Interested firemen should call John Shelton, CLC, at 223-8193, extension 48.

W.Oye, and Robert M. Day. In reference to the course, Kohr commented that everyone passed the test and that all of the drivers expressed appreciation for the opportunity to take the course.

## SCHOLARSHIPS STILL AVAILABLE TO SENIORS

Mr. Kurek, Director of Pupil Personnel Services at Antioch High School has expressed concern about either the delay or neglect by the class of '73 who will soon be graduating, in submitting applications for Illinois State Monetary Awards to the Illinois State Scholarship Commission in Deerfield.

Despite the publicity given to this grant - up to \$1200.00 per year for any college in the

State of Illinois - the Illinois State Scholarship Commission reports that only 15 seniors have submitted applications as of December 1, 1972. Applications were mailed directly to more than 100 seniors plus approximately 50 that were given to others in the Guidance Office reflects; there is concern that only 15 have been processed. Please call the high school if you have any questions about this.

(Week of Jan. 19-25)

**ARIES (Mar. 21-April 20):** Problems at work may cause tension. You may be called on for some unexpected travel. It's best to ignore catty remarks or gossip. Tact can ease the situation and maintain harmony. Best days: Saturday, Sunday.

**TAURUS (April 21-May 20):** A good period to clean up routine tasks. Devote time to household chores so you will be ready for a brighter week ahead. Excellent time for renewing old acquaintances Tuesday through Thursday. Best Day: Wednesday.

**GEMINI (May 21-June 21):** It doesn't pay to fret over missed opportunities, whether at work or in matters of the heart. Be sure you are not a fault in disputes involving family, loved ones. Solar influences good for creative projects, decorating.

**CANCER (June 22-July 21):** Decisions involving work can cause some anxiety. Don't be hasty, get all the facts. A fine weekend for enjoying recreational pursuits. Watch diet and grooming and you may attract attention of someone special. Best days: Wednesday, Thursday.

**LEO (July 22-Aug. 22):** One of the best weeks of the year for those born under your sign. A cheerful disposition creates harmony at work and in the family. Your expansive mood, enthusiasm make you a good companion this week. Best Day: Sunday.

**VIRGO (Aug. 23-Sept. 22):** Self-confidence will help you through a troublesome project. Concentrate on details and you'll earn the recognition you feel you deserve. Take time out to enjoy family, friends and be careful of personal property. Best day: Thursday.

**LIBRA (Sept. 23-Oct. 22):** Disquieting signs indicate caution in personal decisions, prudence in spending. A discouraging situation is unlikely to change this week. Be prepared to wait for a better time to seek new opportunities, social contacts.

**SCORPIO (Oct. 23-Nov. 22):** A sympathetic understanding for the problems of a loved one or co-workers will make your counsel sought after Friday and Saturday. Be sensitive to mood of an elderly friend or relative. Best days: Tuesday, Wednesday.

**SAGITTARIUS (Nov. 23-Dec. 21):** Plan carefully for any changes in your career or academic program. You have many talents to offer. Just don't allow demands on your time to overload your schedule. Best days: Wednesday, Thursday.

**CAPRICORN (Dec. 22-Jan. 20):** Affairs of the heart may occupy your attention this week. Keep your own counsel and heed your intuition. Caution indicated in financial matters, particularly those involving real estate or rentals. Best day: Saturday.

**AQUARIUS (Jan. 21-Feb. 18):** Favorable weekend for social activities, perhaps related to a church project. Postpone any career decisions until a more opportune moment. Superiors, co-workers are in no mood for new problems. Best days: Friday, Monday.

**PISCES (Feb. 19-Mar. 20):** Your sensitivity may be tested by quarrelsome mate or co-worker. Situation brightens later in week. Be wary of investment schemes that you haven't thoroughly checked. Best days: Tuesday, Thursday.

## PLAZA SUITE CAST ANNOUNCED

PM & L of Antioch has Tony Aird of Round Lake Beach as their Director for the first play of 1973. Aird is bubbling with enthusiasm over his cast-crew and set. He announced that the Neil Simon play Plaza Suite will be presented with a wide variety of talent, representing communities as far reaching as Zion and McHenry. The play covers three very different sets of occupants at the Plaza Hotel, Suite 719.

Aird proudly announces his cast as follows: ACT I, Fred Holbert, Donna Mascari, Dennis Mascari, Dennis Macaluso, Lyn Zaehler and Ed Grimes;

ACT II, Don Bevroth, Pam Hill and Ed Grimes; ACT III, Tom Hausman, Nancy Bell, Dave Oelerich and Penny Anderson.

The set, being designed - built and decorated by a real "theatre-minded" couple, Hank and Ricky Apostol will compliment the fine acting in store for all our theatre-goers.

Get the dates down on your calendar now and plan to attend one of the lively performances. The show will open Saturday, February 10th and also be presented February 16-17 and 23-24, at 8:30 p.m. Ticket information and reservations may be obtained by calling 395-9702.

## PLANS IN PROGRESS FOR ANNUAL V.I.P. DINNER DANCE

St. Peter's V.I.P. Dinner Dance is off and running. Who will be the V. I. P. for the 1973 Dinner Dance? That depends on you...The Antioch V.I.P. is nominated from among the community by the members of the community and then chosen by the V.I.P. Committee.

Anyone in the community may nominate a candidate by calling 395-1217. All nominations must be in by January 24

to be honored by the committee.

The V.I.P. Dinner Dance scheduled for March 31 is a benefit for St. Peter's School. The co-chairmen are Jim Olson and Charlie Forester. Tickets for the Dinner Dance will be available at the end of the month. All tickets must be purchased ahead of time. Tickets will not be sold at the door.

### With a Stern Eye

One truly feels like a citizen of the big world after going through the electronic frisk at O'Hare International Airport. And on my way back from Washington there was my own purse, fluoroscoped on the big screen for all the world to see. Humbling.

The trip to Washington was a joy, partly because it made me feel important to someone - namely the League of Women Voters - and partly because a trip into the world outside Lake County is good for my perspective. I received the invitation about three weeks ago from the national office of League in Washington. Would I come down there at their expense, they asked, and counsel with them on a booklet they plan to publish in the late Spring on the subject of education Election Personnel?

Would I? I sure would. In my life I cannot remember being consulted by anyone as an expert on anything. The prospect (and the actuality) was heady indeed.

Once American Airlines had ascertained that I was a reasonable risk, it was all downhill. I arrived in Washington on Thursday evening, dined alone at the hotel and then retired upstairs to a very elderly movie on TV.

On Friday morning we experts gathered around a table on the tenth floor of the brisk and modern office

building that houses the L.W.V. national headquarters. There were five itinerant experts - three of whom were prominent in their local Leagues (Lafayette, Indiana, Little Rock, Arkansas and Marietta-Cob County Georgia), the Elections Administrator from Montgomery County, Maryland, and myself. The remaining ten or twelve women at the table were staff consultants involved with the production of the book itself. It pleased me in an obscure way, to discover that I was the only one among them who had been elected. Even the very impressive Mrs. Garber from Montgomery County was an appointee - "a product of the patronage system," she said.

The whole subject of registration got a good going over at the outset and Lake County got high marks for effort and the results visible in the increased totals - i.e. from 143,000 in 1970 to 183,000 in 1972. We did not fare as well however, when praise was being given out for educating election judges. I told them how it used to be done, how our administration has been doing it this past year - and the many areas in which we are still falling short.

Although the Chair worked assiduously at keeping us on the track and off conversational by-ways we did still manage to get in some pretty informative and delightful changes. A hard-boiled leaguer from Texas told us about "the secrecy of the ballot" down her way.

"If you were lucky, you found a space against the wall and marked your ballot - right out there with everybody else. No such thing as voting booths. When one man insisted he was entitled to more privacy, they threw a coat over his head - right there where he was sitting at the table. They threw a coat over his head and he voted under that!"

Marie Garber who apparently runs a very tight ship, who knows each of her over 2,000

## SNOW SEEKER'S PLAN ANNUAL ORPHAN'S DAY

On Sunday, January 28, 1973, at 12:00 noon, the North Shore

Snow Seeker's will hold their Annual Orphan's Day, at the Antioch Country Club. The Snow Seeker's will entertain 38 children from the Central Baptist Children's Home, Lake Villa, Illinois. Ranging in age from 6 to 14, the children will enjoy a day of snowmobiling and lunch. We know the children will enjoy this very much, as they have in past years.

election judges by name and by competence, told us how she had gotten through some very desirable legislation. "We took an elderly couple down with us to the capitol. He had had a stroke and used a walker - she was nearly blind. They were terrific. They testified about the difficulty of getting their applications for absentee ballot - and then the ballot itself - notarized and approved by a doctor and so on. After their testimony we didn't have a minute's trouble. They got rid of those requirements then and there - it would have been worse than voting against motherhood or the flag - and there wasn't a dry eye in the house."

Lafayette County, Indiana had a very elaborate Election Judge School, run by the League of Women Voters, not by the Election Authority, and flyers and scripts were circulated among us to give us an idea of the content. Apparently skits and role play were widely used in a number of jurisdictions with success. I was surprised to find that many states don't require any instruction for Election Judges at all.

We spent a few minutes talking about why North Dakota has no Voter's Registration and how it works. Answer: Fine in North Dakota where the population is thinly scattered. The prognosis for other areas was that it would likely be unworkable.

It was a good session and came away with a number of ideas. We shall institute a follow-up system on our Judges' school and a check-up and monitoring system on the functioning of each precinct and its personnel on Election Day. We'll track down more information on what other counties are doing. I look forward to receiving and dissecting the working draft in about six weeks.

And I'll clean my purse right away.

**SHOULD YOU TRADE IN YOUR CAR OR SELL IT?**  
*Continued*

Your situation and financial condition will help decide whether or not to sell your car for cash instead of trading it in.

Some reasons for selling for cash are:

Someone you know wants your present car and has offered you a fair price for it.

You've checked out the trade-in allowances offered, and you believe you can get more by selling it yourself.

The car represents more than the required down payment and you want to make the minimum down payment on the new car and keep the additional cash for other purposes.

You're going to pay cash for the new car, anyway, and can sell the present car any time later, or hold it for a better market condition (although further depreciation is likely).

### POLLUTION VARIANCE

ANTIOCH-REALCOR, LTD. has filed with the Environmental Protection Agency and Pollution Control Board a Petition for a Variance. Title IX of the Environmental Protection Act provides for individual variances upon proof by the Petitioner that compliance with specific provisions of the Act, related regulations and/or Board Opinions would impose upon the Petitioner an "arbitrary or unreasonable hardship". The Petitioner alleges such a hardship, and requests permission for a construction only permit for a proposed sanitary sewer extension for Realcor Industrial Park to be located in Lake County at Antioch, Illinois.

The Environmental Protection Agency solicits the views of persons who might be adversely affected by the granting of the variance. Any comments or

inquiries should be addressed to: Variance Section, Division of Water Pollution Control, Springfield, Illinois, 62706, (217-525-6171). Formal objections to the petition may be filed in writing with the clerk of the Pollution Control Board, 309 West Washington Street, Chicago, Illinois, 60606.

## ROTH RECEIVES PURPLE HEART

Pfc. Dane J. Roth, 19, of Antioch recently received the purple heart, the bronze star and three citations for saving his officer's life. Dane was on guard duty in Guantanamo Bay, Cuba when he stepped between an assailant and his commanding officer, receiving a stab wound in the left shoulder. He has recovered from his wound and has been placed in communications until he is fully recuperated.

Upon graduation from Antioch Community High School last June, he enlisted in the Marine Corps. His older brother Mark, 20, is in the Army and has been stationed in Okinawa for the past year.

Dane and Mark are the two oldest sons of Mr. and Mrs. Alfred C. Roth of Route 1, Antioch. The Roths have eight children, 5 boys and 3 girls.

## ROBT. F. LINDEMANN, JR

Army Private, Robert F. Lindemann, Jr., 17, whose parents live at 811 Engle Drive, Lake Villa, Illinois recently completed advanced individual training as a field artillery cannoneer with Battery B, 2nd Battalion of the 320th Field Artillery in the 101st Airborne Division (Airmobile) at Ft. Campbell, KY.

During his training, he learned the duties of a howitzer or gun section crewman. He also received instruction in handling ammunition, setting fuses and preparing charges, communications and maintenance.

Pvt. Lindemann, who enlisted specifically to serve with the 101st, is now guaranteed a minimum of 16 months with the division under the Army's new Unit of Choice recruiting program.

He entered the Army in June and completed basic training at Ft. Polk, La.

Pvt. Lindemann graduated this year from Grayslake Community High School.

## DAVID YOUNG ENLISTS IN AIR FORCE

David A. Young was enlisted in the U.S. Air Force by Master Sergeant Joseph Kuczala, Local Air Force Recruiter in Waukegan. David enlisted under the Air Force guarantee program after taking complete mental and physical testing to qualify for the school he wanted. David chose the Air Force Law Enforcement and Security specialist school. This choice was guaranteed to him before he enlisted and after completing six weeks at the Air Force school of Military Sciences he will report to the Law Enforcement-Security school at Lackland AFB, Texas. David is a senior at Antioch Community and will graduate on the 3rd of June and departs for Texas on the 8th of June. Sgt. Kuczala, local Air Force Recruiter went on to say that other young men or women interested in this school or any other school offered by the Air Force can contact him at his office in Waukegan or call 623-8290.

## VIEWS ON AMTRAK TRIP

On Wednesday, January 10th, at 6:47 a.m. three Antioch couples departed on an AMTRAK Train to Springfield. Their destination was Springfield and more specifically the installation ceremonies of the House of Representatives.

The couples in attendance were Mr. and Mrs. Pete Cleven, Mr. and Mrs. Al Dittman, and Mr. and Mrs. LaVerne Woods.

The Amtrak trip to Springfield was arranged by Rep. Donald E. Deuster for all interested parties. About 160 people from the 32nd district made the trip to the capital and four cars of the train were reserved for the group. Deuster, his wife, and his children were also aboard the train.

The group arrived in Springfield at about 11:30 a.m. after having breakfast enroute. They then witnessed the swearing in ceremonies in the capital, whose galleries were packed with crowds of people. The overflow of the crowd was able to watch the ceremony on a close circuit television in an adjoining room.

After the ceremony, Deuster's group broke up and had lunch either at the St. Nicholas's Hotel of the Sango Club, which was followed by a series of tours. The tours led the group through the old capital building, which has been restored, to Lincoln's Law offices, his home and his tomb.

Following the tours everyone returned to the St. Nicholas Hotel for a reception. Deuster was not there as planned however, as ballots were still in the process of being cast for the election of a speaker of the house. But, Deuster's wife, Kay, was present as was Mrs. Berning. John Connely and his wife were also seen at the reception.

After the full day the group boarded the Amtrak train for home and arrived at Round Out, which is outside Libertyville, at about 11:40 p.m. An excellent dinner was served. Another bonus was that the diner car's maitre de was Robert Garvin,

## KAREN SHEEHAN ON CORNELL HONOR ROLL

Cornell College has named 151 students to its first semester dean's list, or honor roll. To qualify, an individual must attain a semester grade point average of at least 3.6 (on a scale of 4.0).

Those on the dean's list make up about 16.8 per cent of Cornell's total student body. The list includes 25 freshmen, 31 sophomores, 43 juniors and 52 seniors.

Fifty-six Cornell student earned grade averages between 3.8 and 3.999, qualifying for the "high honors" on the Dean's list. Miss Karen Sheehan, daughter of Mr. and Mrs. Warren Sheehan of Lake Villa has received high honors.

Cornell's first semester of the 1972-73 academic year ended Dec. 15. The Interim term extends from Jan. 8 through 31. Second semester classes begin Jan. 31.

of Antioch. He is also the father of Pillsbury Winner, Peggy Van Patten.

Mr. Dittman, said that the trip was great, he said, "He wouldn't have missed it for anything." I have always been interested in politics and going to Springfield and witnessing the swearing in ceremonies was more than worthwhile for me. I wish that more lay men would take advantage of this kind of trip."

## WRESTLING SEQUOITS DOWN RAMS

The wrestling Sequoits rebounded from their first loss last week-end with a 31-16 thumping of Grayslake on the Rams mat Saturday afternoon. Antioch on seven matches, tied two, while losing only three to the host Rams. Both Grayslake and Antioch were 3-0 in conference matches going into the action. The loss puts Grayslake in second place at 3-1 and leaves Antioch leading the league at 4-0.

The determination of the conference champion in wrestling is a combination system giving points for dual meet victories and points scored in a season ending conference tournament. Each dual meet win is worth four (4) points. Antioch now has 16 points and hopes to take a perfect 28 points into the conference tournament.

Antioch was never better as 98 lber Bennie Garcia started out with a 17-0 decision. John roberts 105 lbs. followed with a 12-0 superiority decision, Dirk Dietz's 8-0 win at 112, Keith Larson's 7-6 win at 119 ran the team score to 14-0, before Grayslake's Sam Long tied Dennis Dyer 2-2 at 126 pounds. Steve Shaffer followed with the Sequoits only pin in 5:39. Two close matches followed with Antioch's John thain losing 10-7 and Andy Feldman shaded 4-2. Tim Staples moved down to 167 for the first time this season and responded with a 13-3 decision, Larry Yopp making his first appearance of the season at 185 lost to an outstanding Grayslake wrestler by a fall in 3:10. Tom Rayniak's match at Heavyweight proved to be the meets most exciting. With the score tied at 1-1 with 20 seconds to

go, the Antioch heavyweight scored a takedown and rode Grayslake's Powell for a 3-1 win.

Antioch returns to the mats Friday against a weak Wauconda team the highlight of which should be another exciting match at heavy-weight. Tom Rayniak is 11-1-1 for the season with his only loss coming from the Wauconda heavyweight in the county tournament. Other Sequoit records include:

Garcia	7-7
Roberts	12-2
Dietz	8-5-1
Larsen	15-0-1
Dyer	7-4-2
Shaffer	9-3-2
Thain, J.	7-6

Staples	5-7-1
Rayniak	11-1-1

## SOPH WRESTLERS STILL TOP N.W.S.C.

On Saturday afternoon the Antioch Sophomore wrestlers traveled to Grayslake and came home with a very narrow N.W.S.C. victory. The final score was Antioch 28-Grayslake 21. The Sequoits jumped to a quick 15-3 lead at the end of four matches. The middle four matches were divided between the two teams with the score 22-9, and only the last four matches remaining. The Rams promptly won the next three matches, and trailed by a score of 22-21 going into the heavy weight class. Sequoit heavy-weight Rich Coari was losing 4-0 when he finally scored a reversal and pinned his Grayslake opponent.

The win notched the tenth victory of the season for wrestlers against a single loss. Coach Wapon felt that this win was very important, 'If Grayslake could have knocked us off, the N.W.S.C. race would have been up for grabs. They were aware of this, and were

sky-high for the match. I was very happy that we were able to hang on when things got really exciting at the end, and still get the win.' Sequoits cited as wrestling very strong matches were Brian Parpan, Dennis Thain and David Kisner. Both Jim January and Mike Jones have also looked exceptionally sharp in their last several outings.

The Sequoits travel to Wauconda on Friday, January 19, 1973 for a 6:45 p.m. North West Suburban Conference match. On January 23, 1973 the Sequoits visit rugged McHenry in a non-conference match beginning at 6:45 p.m.

## DOUBLE WIN WEEKEND FOR SEQUOITS

Mark Andrews goes in for a lay up against Wauconda. The Sequoits won both their weekend conference games and are ranked in second place behind Round Lake. (Photo by Dave Rush)

The Sequoits held on to their second place conference position this weekend as they won both of their conference games. On Friday, the Sequoits topped Wauconda 43 to 35 and on Saturday they beat Lake Zurich 76-58.

Friday night's game was an unusual one as it was the first game Coach Andrews has missed in 18 years. Andrews was sick with the flu and was replaced by Coach Gary Allen. Allen proved to be an adequate replacement as he coached the Sequoits to an 8 point victory even though they were behind 18-10 mid-way through the second quarter. At that point in the game Allen switched the team over to zone defense, which held Wauconda in check and at the same time offensively Antioch began to exercise more patience and take better shots, scoring 16 points in the third quarter and 9 points in the fourth quarter.

As the Sequoits played Lake Zurich the next night they dropped their zone defense and exercised a full court press. In the first half Lake Zurich was exceptionally hot as they made 60 percent of their field shots, quickly accumulating 39 points. In the second half however the Sequoits press began paying off as Lake Zurich's shooting tapered off

and Antioch soon took the lead.

The Sequoits played a double low post position against Zurich's zoned defense which seemed to leave Mike Gutowski open to shoot. In the first half he was able to score 18 points and totaling 27 points by the end of the game.

The Varsity Sequoits record ads up to 11 wins and 5 losses. A change was made in their record due to the fact that Elgin Larkin had to forfeit their victory, because they used an illegal player in the game.

There are seven games remaining this season and they are all conference games. Next Friday the Sequoits will face Warren there, and the following weekend they will host Grant on their home court on Friday, January 26th.

Varsity Conference standings are as follows:

1. Round Lake, 7-0
2. Antioch, 6-1
3. Grant 5-2
4. Lake Forest, 3-4
5. Grayslake, 3-4
6. Warren, 2-5
7. Lake Zurich, 1-6
8. Wauconda, 1-6

## HOCKEY BEGINS AT HASTINGS YMCA

Hastings YMCA Camp's new Hockey Rink came alive, Sunday, Jan. 14th, with eager boys ready to play Ice Hockey with boards all around them! This year's Hockey Program at Camp Hastings, under the direction of Hank Bessler, includes many boys in the area.

Ice Hockey this year, sees four teams facing off. Two teams, the JETS and KINGS in the Senior Division and the HAWKS and BRUINS making up the Junior Division. The senior division includes boys with some advanced hockey skills; and the juniors are made up of younger boys with some skills and much eagerness and desire to play ice hockey.

Head Coach, George Skopek, is very confident that with coaching and instruction and lots of practice that these boys

will receive, they will soon advance their skills and go on to enjoy the very growing sport of Ice Hockey.

Last Sunday's games, although only practice games, were nevertheless very exciting and enjoyable to watch. Kerm Radke coached the KINGS to a 4-3 win over Don Brook's JETS.

The HAWKS had it a little easier with a shut-out against the BRUINS. Robert Kelley and Leo Bogaerts coached the HAWKS to a 3-0.

Hockey games will be played at Camp Hastings on Sunday afternoon, weather permitting, and we invite all Hockey "bugs" to come out and watch these youngsters play. Any boy who may be interested in playing hockey at Camp Hastings may call Hank Bessler at 356-7567 or 356-5487.

### EXCEPTIONAL

### WINTER

### CONDITIONS

### AT LAKE GENEVA

Ice conditions at Lake Geneva, Wisconsin are extremely good this year with the winter freeze of the lake one of the smoothest in the Lakes history. Geneva Bay at Lake Geneva is ideal for ice skating and the Bay is being used by dozens of Ice Boats of all sizes. Lake Geneva, known as the Ice Boating Capital of the World, has always been a Haven for Ice Boating, but this year seems to be exceptional.

Some Snowmobiles are using the smooth lake, however the majority of machine owners are using the many open Areas and Trails provided for this use in the Area around the Lake. Snowmobile Rentals of all types of machines are available for those who do not have machines of their own.

The Ski Areas in the Geneva Lake Area are all reporting good to very good now for snow conditions and hundreds of winter vacationers are using the slopes at Majestic Hills, Alpine Valley, Playboy Club and Paradise Valley.

Famous Resorts such as the Abbey in Fontana, the Playboy Club Hotel, Lake Lawn Lodge, Alpine Valley and the Sterlingworth Motor Inn all offer the finest in lodging comfort as well as Indoor Pools, Saunas, Therapy Pools etc. Most offer winter sports on the grounds or close by. The Geneva Lake Area boasts some of the Midwests finest and the many cocktail lounges in the restaurants area offer entertainment of all types nightly to complete your winter vacation.

Fishing through the ice on Lake Geneva is reported good this year and is enough to test the skills of even the Best of Fishermen.

## SOPHS STILL UNDEFEATED

The Antioch sophomore basketball team remained undefeated in conference play this weekend by defeating Wauconda 45 to 23 and Lake Zurich 55 to 40. The Sophomore conference record is now 7 and 0 and their overall record is 16 and 1.

Kevin Walpole led the scoring attack against Wauconda with 18 points. In the Lake Zurich game Russ Albano scored 20 points while Kevin Walpole and Mike Grindley each scored 12.
